## Fleet Enterprises, LLC Awards Franchise in Cleveland, Ohio and Expands Service Coverage into the Indianapolis, Indiana Market

***Fleet Enterprises views new CSA regulations a significant part of their service programs offered to the transportation industry.***

TROY, MI (PR WEB) December 1, 2010 – Fleet Enterprises, a fleet maintenance company that provides mobile repair and maintenance services to the transportation industry, announced today that it has awarded a new franchise to James Parent of Temperance, Michigan. This is James fourth franchise and is scheduled to begin operating in the Cleveland, Ohio area by year end.

“James’ make it happen attitude has earned him the Cleveland, Ohio market,” admitted Darin Gross, co-owner of Fleet Enterprises. “He promotes our service philosophy to a tee and we like that,” said Gross.

James Parent has worked in transportation for the past 20 years. “For me, it makes sense to want to grow my business and I appreciate the opportunity. The Fleet Enterprises program allows me to compete in any given market. The brand recognition I receive along with Fleet’s strong support network, helps me expand at the pace I want”, stated James.

In addition to James’ Cleveland, Ohio franchise, Fleet Enterprises has recently expanded their coverage into the Indianapolis, Indiana market. A new service location is now operating.

“The preliminary response to news of Fleet Enterprises’ expansion through franchising has been overwhelming,” said Tony DiMambro, co-owner of Fleet Enterprises. “The interest generated along with our steady annual growth, leads us to believe that Fleet Enterprises will rise to the top of the mobile mechanic industry in rapid fashion,” added DiMambro.

Fleet Enterprises views the new CSA regulations as significant to their business and feels its’ obligation is to help educate and assist carriers with quality maintenance programs and just as important, documenting through proper forms and pertinent information.

“Many of our loyal customers rely on us for their fleet maintenance and CSA needs,” said Gross. “We do the maintenance and provide first hand information accurately and efficiently,” he added.

Customers have immediate access to Fleet Enterprises’ state- of-the- art and totally unique set of service and online tools designed to help them ensure their fleet is always well maintained and safety compliant. Once online, customers can request services plus view invoices, FHWA and photo reports.

“It’s all designed to provide everything they need to monitor their fleet’s maintenance needs and activities – right at their fingertips,” Gross concludes.
